Re: Refunds to Deposit Account Number 501267

Dear Sir or Madam:

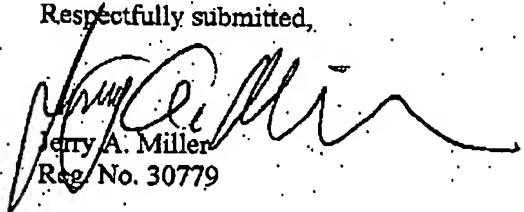

This is a request for refund for the two charges dated 2/8/2007 and subsequent service charge resulting therefrom dated 2/28/2007.

Reference to the PAIR file for 10/038,217 indicates that charges were made based upon a patent application fee determination record dated 1/8/2007 for 30 excess total claims and 6 excess independent claims. The calculation is based upon a highest number paid for of 135 total claims and 14 independent claims.

However, in fact, on 4/8/2004, a total number of 178 claims were paid for and a total of 22 independent claims were paid for. Hence, no additional charges were due. As a result, the \$1500 + \$1200 in excess claims fees are incorrect. These incorrect charges resulted in the account balance dropping below the minimum and hence the charge of a \$25 service charge. 2700

Please reverse these charges including the service charge as quickly as possible.

Respectfully submitted,

Jerry A. Miller
